Containing the freſheſt Advices, both Foreign and Domeſtic.

TUESDAY, SEPTEMBER 6, 1768.

LONDON, JUNE 13.

THE error aſſigned by Lord M—— for the Reverſal of Mr. Wilkes's outlawry was, that the proceedings ſtated at the County Court for the County of Middleſex, whereas the form ought to have been at the County Court OF MIDDLESEX for the County of Middleſex, which was ſuggeſted by Mr. Serjeant Glynn in the pleadings near two months ago. Lord M—— declared that form of words abſolutely neceſſary, and on that failure only he reverſed the Outlawry.

It is reported, that in a late Privy Council, a patriotic Member very ſtrongly urged the neceſſity of Great-Britain's effectually interpoſing in the affairs of Corſica.

It is remarkable that on the regimental cloaths of the third regiment of foot guards, the buttons thereon conſiſts of 45 buttons only.

The firſt diviſion of the French troops deſtined for Corſica embarked at Toulon the 19th of laſt month.

Letters received from Warſaw bring advice, that diſcord and diſorder increaſe more and more in that kingdom, where nothing is heard talked of daily but new troubles, hoſtile rencounters and ſkirmiſhes.

The above letters add, that in the affair which happened lately at Lublin, more than 100 houſes were ſet on fire, and conſumed by the cannon of the Ruſſians.

By letters from Warſaw there is advice, that the town of Zaleſzick, belonging to the King of Poland, and wherein his Majeſty had eſtabliſhed, at a great expence, manufactures of different kinds, has been pillaged and ſet fire to, and all the manufacturers, King's officers, and other inhabitants, obliged to take ſhelter in Moldavia.

Private letters from Paris inform, that the Genoeſe have engaged to build thirty ſhips for the ſervice of France.

It is ſaid, that two Sloops of War are ordered to be fitted out for the South-Sea, to go in queſt of the Swallow Sloop, which the Dolphin parted company with after getting out of the Straits of Magellan; that they are to rendezvous at the newly diſcovered Iſland, and from thence to attempt the diſcovery of the Southern Continent.

The Carcaſe ſloop of war, Capt. Jordan, is daily expected from Port Egmont, in Falkland's iſland, near the coaſt of Patagonia.

Yeſterday morning a great Council was held at the Cockpit, Whitehall, at which all the great Officers of State aſſiſted, the proceedings of which were afterwards made known to his Majeſty at St. James's, who came to Town from Richmond on the occaſion.

Letters from Dublin adviſe, that it is the general opinion that the Lord Lieutenant will continue in Ireland 'till the new Parliament is choſen, which will meet and be ſworn in ſoon after the elections are over, and that then his Lordſhip will return to England.

They write from Toulon, that a number of Ship Carpenters have been picked out from the dock yards, to be embarked on board the men of war and tranſports for Corſica.

Her Grace Eliſabeth, Dutcheſs Dowager of Dorſet, who died on Saturday, was married to his Grace Lionel, late Duke of Dorſet, in January 1708-9, and has iſſue, Lord, Charles, now Duke of Dorſet, who married the daughter and ſole heir of Richard Boyle, Viſcount Shannon, in Ireland, who died May 10, 1763; and Lord George Sackville, born Jan. 26, 1715-16, Member of Eaſt Grinſtead, and a Privy Counſellor; who by his Lady, Diana, ſecond daughter and coheir of John Sambroke, Eſq, has three daughters, Diana, Eliſabeth, and Carolina, and a ſon born in Auguſt 1767: Alſo a daughter, Carolina, Lady Milton. JUNE 15. Yeſterday morning, about nine o'clock, began to be argued in the Court of King's-Bench, the validity of the power of a Judge to alter a Record, and the legality of the Verdicts againſt Mr. Wilkes; and after many learned arguments by Mr. Attorney-General and Mr. Serjeant Glynn, Mr. Wilkes's Council, the Court was of opinion, that the altering the Record was valid, and had been cuſtomary time immemorial; and that the Verdicts were legal, on which Mr. Wilkes offered to receive Judgment; but the Court not being prepared, deferred giving it to a future day in this Term. The Court did not break up till five o'clock. There was a remarkable number of people in Weſtminſter-Hall.

It is currently reported in moſt of the Coffee-Houſes in town, that our ambaſſador at a neighbouring Court is on the point of departure from thence, on account of the meaſures lately taken, and ſtill perſiſted in by that Court (notwithſtanding our Ambaſſador's remonſtrances) for taking poſſeſſion of a certain Iſland in the Mediterranean.

A marriage between the Dauphin of France and the Archdutcheſs Antonietta-Joſepha, is ſaid to be entirely concluded on; but the celebration will not take place till the year 1770.

A report was yeſterday morning current at the Weſt-end of the town, that ſome material changes in the firſt departments in the law will ſoon take place.

Laſt night a Gentleman at a Coffee-houſe at the Weſt-end of the Town, layed a wager of 100 guineas to five, that Mr. Serjeant Glynn, will be returned Member for the County of Middleſex.

It is ſaid, that an offer had lately been made to a certain popular Gentleman, of a preſent, equal to the amount of the capital prize in the lottery, if he would ſign a general releaſe to a noble L—, and three others, for ſome illegal proceedings formerly exerciſed upon the perſon and property of a certain Gentleman then reſident in Weſtminſter; which offer he nobly refuſed, being determined to make no other end, than by the laws of his country.

JUNE 16. The edict, by which the Jeſuits were expelled the iſland of Malta, was written in the Italian language, and was dated 22d of April, at the Palace of the Grand Maſter. The preamble was as follows:

"Having been inveſted, we and our Religion, with the Sovereignty of theſe iſlands, thro' the munificence of the King of Sicily, with the concurrence of all the Sovereigns of Europe, by virtue of a Diploma granted us by the Emperor Charles V. of glorious Memory, wherein that Prince was pleaſed to enable us, after the loſs of Rhodes, to continue the exerciſe of our Inſtitution for the advantage of Chriſtianity; our principal attention, in imitation of our predeceſſors, hath always been to obſerve and faithfully fulfil the conditions, in conſideration of which theſe iſlands have been generouſly ceded to us, and never to ceaſe giving proofs of our gratitude. Wherefore, his Majeſty the King of the Two Sicilies having been pleaſed to ſignify to us, that he had expelled from his kingdoms, for very great crimes of ſtate, all the Monks of the Company called the Company of Jeſus, and having required us, in virtue of the above mentioned conditions to expel them from our iſlands, we being faithful to thoſe principles from which we have never deviated, have reſolved, &c. &c."

Extract of a Letter from Portſmouth.

"To the great mortification of the Warrant Officers ſtationed here, many of whom occaſionally live with their families on ſhore, an order is come down, ſtrictly forbidding them bringing for the future on ſhore any of their allowance of proviſions."

Lately died at Gibraltar, Mr. Walter Bruce, aged ninety-five, who acquired ten thouſand pounds by keeping a ſuttling-houſe in the garriſon, having been a Serjeant in Queen Anne's wars, and wounded at the ſiege of Vigo.

JUNE 18. Our Readers may rely on the following:—— A Gentleman this Week travelling in Kent, happened to put up at the ſame Houſe as one of the Dover Machines; the Paſſengers were all Frenchmen: The Gentleman ſaluted them in Engliſh, and welcomed them here; but all the Anſwer he could get from them (for it was all they could ſpeak of our Language, and had learned it ſince they turned their Backs on Calais) was, "Sir, Wilkes and Liberty—— "Wilkes and Liberty."

Extract of a Letter from Portſmouth, June 19.

'On Wedneſday a Schooner arrived here expreſs from 'Senegal; an Officer that came in her ſet out Poſt for London 'immediately on his Landing.

On Tueſday a Porter pitched a Hamper of China in Holborn, which was inſtantly ſeized by a Cuſtom-houſe Officer, —on which the Porter pulled the Hamper to the Ground and broke it all, to the Value of above Thirty Pounds.

An ANECDOTE.

THE honeſt old D— of N—, from the following declaration which he made t'other day, ſeems to have a very different idea of the mob from that which is entertained by ſome of our preſent mighty men:

"I love a mob (ſaid he). I headed a mob once myſelf. "We owe the Hanover Succeſſion to a mob."

And it is remarkable, that thoſe who have diſtinguiſhed themſelves ſo much lately againſt the mob, are the deſcendants of thoſe very Perſons who diſtinguiſhed themſelves as much formerly againſt the Hanover Succeſſion.

BASSETERRE, (in St. Chriſtopher's) July 23.

By accounts from St. Croix we hear, that on Friday laſt the 15th inſtant, a dreadful fire happened there. It is ſaid to have began on Mr. Manning's eſtate, and in a ſhort time to have communicated to nine other eſtates, deſtroying in its courſe all their works and above one thouſand acres of canes. It laſted from ten in the forenoon to four in the afternoon, the wind blowing exceſſive hard all the time. The damage done cannot be juſtly aſcertained, but is ſuppoſed to exceed 250,000l. ſterling. One white woman is miſſing, ſuppoſed to have periſhed in the flames, but we do not hear of any negroes being loſt.

On Wedneſday laſt Robert Henvill, Eſq; was ſworn, before the Council, Judge Surrogate of the Court of Admiralty of this Iſland.

Sunday the Brig Prince of Wales, *Captain* Mason, *arrived here in ſix Days from* PHILADELPHIA, *by whom we have the following* ADVICES, *viz.*

BOSTON, AUGUST 1.

WE can collect no intelligence from the public prints reſpecting American affairs, but by letters by the laſt veſſels from London, we learn, that the miniſtry is at preſent in a very unſettled ſtate, ſo that there is no determining how public affairs will be conducted or by whom:——That Lord Chatham is yet our friend and ſupport:——That our friends conſider the late act impoſing duties upon paper, &c. as a ſecond Stamp-act, and as another attempt to gain the point of taxation over the colonies:——That thoſe in power are unwilling to ſee the right of parliament to tax America relinquiſhed:——That wiſe, cool, firm meaſures, ſteadily purſued, will obtain us redreſs; and that the ſafety of theſe colonies, and of the whole kingdom, depended upon ſuch a conduct:——That reſolution and perſeverance in meaſures of induſtry, frugality and Oeconomy, and determining not to import any goods from Great-Britain, would undoubtedly and inevitably procure for us all the relief we need:——Diſtreſs among the merchants and manufacturers would be the certain conſequence of ſuch a conduct; people in general would have their eyes opened, they would ſoon feel the fatal effects of the late acts of Parliament; and feeling muſt bring conviction, and daily create new friends with its increaſe.

Extract of a Letter from Norfolk, in Virginia.

"Private letters from England mention, that Colonel Clark is appointed Lieutenant-Governor of Virginia, and that as military merit hath been hitherto too much neglected, it is ſaid that, for the future, moſt of the vacancies in America will be filled up with gentlemen, who have diſtinguiſhed themſelves either in the army or navy."

Laſt week two veſſels arrived here from the Mount, by whom we have a confirmation that the trade with the Engliſh at that place is wholly broke:——That a brig from this port arrived there the latter end of June, but as ſoon as ſhe came to anchor, orders were ſent to her to depart without any perſon coming aſhore; the Captain, however, ventured up to the town, but was ſoon put under the care of a ſoldier to ſee him off again, with orders to ſail immediately, which he was obliged to comply with, though he urged his want of water, and proceeded from thence to Nichola Mole.

By a veſſel from Halifax this morning we learn, that all the detachments of troops from the different outpoſts of that province are ſoon to be called in.

PROVIDENCE, (Rhode-Iſland) July 30. We learn from Boſton, that the Commiſſioners of his Majeſty's Cuſtoms, who, in the late commotions at that place, made their aſylum in Caſtle-William, where they have ever ſince remained, are now about petitioning for leave to return to town, propoſing, on their part, to ſuſpend the execution of their office.

PHILADELPHIA, Auguſt 11. Sunday laſt Captain Spier arrived here from Glaſgow, after a tedious Paſſage; with whom the Rev. Dr. Witherſpoon, Preſident of the College at Princetown, with his Lady and Family, came Paſſengers.

BOSTON, AUGUST 8.

The following is a Copy of a Petition reported to the late Houſe of Repreſentatives, by a Committee, and under their Conſideration, when the Aſſembly was diſſolved.

WE your Majeſty's moſt dutiful and faithful ſubjects, the Repreſentatives of your ancient and loyal Province of the Maſſachuſetts-Bay, impreſſed with the deepeſt Senſe of Gratitude to Heaven, for calling to the Britiſh Succeſſion your Majeſty's illuſtrious Family, and ſo firmly eſtabliſhing your Majeſty on the Throne of your Royal Progenitors: And being abundantly convinced of your Majeſty's Grace and Clemency, moſt humbly implore the Royal Favour, while we briefly repreſent the Grievances we labour under, and which, under GOD, your MAJESTY alone can redreſs.——It is with inexpreſſible Concern, that we are conſtrained thus publicly to complain of the Adminiſtration of his Excellency *Francis Bernard*, Eſq; your Majeſty's Governor of this Province; who has betrayed an arbitrary Diſpoſition.——He early attached himſelf to a Party, whoſe Principles and Views, we apprehend, have ever been repugnant to your Majeſty's real Service.——He has both in his Speeches, and other public Acts, treated the Repreſentative Body with Contempt.——He has, in an unwarrantable Manner, taken upon himſelf the Exerciſe of your Majeſty's Royal Prerogative, in granting a Charter for a College, without even the Advice of your Majeſty's Council.——He has openly attempted to make himſelf ſole and abſolute Judge of the Qualification of Members, returned to ſerve in the Houſe of Repreſentatives.——We have alſo Reaſon to apprehend, that he has endeavoured to perſuade your Majeſty's Miniſters to believe, that an Intention was formed, and a Plan ſettled, in this, and the reſt of your Colonies, treaſonably to withdraw themſelves from all Connection with, and Dependence upon Great-Britain; and from their natural Allegiance to your Majeſty's ſacred Perſon and Government.——He has in his public Speeches charged both Houſes of Aſſembly with Oppugnation againſt the Royal Authority; and with leaving Gentlemen out of the Council only for their Fidelity to the Crown.——He has indiſcreetly, not to ſay wantonly, exerciſed the Prerogative of the Crown, in the repeated Negative of Councellors of an unblemiſhed Reputation, and duly elected by a great Majority of both Houſes of Aſſembly.——He has declared that certain Seats of the Council Board, ſhall be kept vacant, till certain Gentlemen, his Favorites, ſhall be re-elected.——He has unconſtitutionally interfered with, and unduly influenced Elections; particularly in the Choice of an Agent for the Province.——He has very abruptly diſplaced divers Gentlemen of Worth, for no apparent Reaſon, but their voting in the Aſſembly againſt his Meaſures.——He has practiſed the ſending over Depoſitions to the Miniſtry againſt Gentlemen of Character here, without giving the accuſed the leaſt Notice of his Purpoſes and Proceedings.——He has created divers new and unconſtitutional Offices.——He has drawn divers Warrants on the Treaſury, for the Payment of Monies, againſt the expreſs Appropriations of the Aſſembly.——He has, at this Seſſion, preſumed to threaten the General Aſſembly, upon the Non-compliance of the Houſe of Repreſentatives with a certain Requiſition, not only to diſſolve them, but to delay to call a new Aſſembly, which is beyond your Majeſty's Orders.——By the means aforeſaid, and many others, that might be enumerated, he has not only rendered his Adminiſtration diſagreeable to the whole Body of the People, but entirely alienated their Affections from him; and thereby wholly deſtroyed that Confidence in a Governor, which your Majeſty's Service indiſpenſably requires.——Wherefore we moſt humbly intreat your Majeſty, that his Excellency *Francis Bernard*, Eſq; may be removed from the Government of this Province: And that your Majeſty would be graciouſly pleaſed to place one in his Stead, worthy to repreſent the greateſt and beſt Monarch on Earth.——And as in Duty bound, we, &c. *ſhall ever pray.*"

We are informed that the Penſion granted to his Honour the Lieutenant-Governor, to be paid out of the Revenue now raiſing in America, by Virtue of the Acts of Parliament ſo much complained of in every Colony, is expreſly declared to be, "in Conſideration of his faithful and firm Attachment to the Prerogative, and the Rights of the Crown, in the worſt of Times."

Extract of a Letter from a Gentleman in Virginia, to his Friend in Boſton, dated 16th July, 1768.

"The Accounts we have received from Boſton, of the Behaviour of your new appointed Officers, cannot fail to excite our Deteſtation againſt the late Meaſures purſued by the parent State, in ſending us as a Bleſſing, one of the Plagues of Ægypt——Swarms of hungry Locuſts through all our Coaſts, to feed on the Fat of the Land, and annoy, impoveriſh and perplex us; for ſuch we may term this Inundation of new Officers and Placemen; but I hope *theſe*, nor any other Impoſitions, will ever diſcourage us from aſſerting and defending the Rights of Freemen with Firmneſs; this ſeems to be the View of all the Colonies, and their Conduct I doubt not will correſpond."

The late Speaker of the honourable houſe of Repreſentatives of this province, has received a letter from the Speaker of the houſe of Repreſentatives of the colony of Rhode-Iſland, in anſwer to their circular letter of the 11th of February laſt, informing that he had laid ſaid letter before the houſe, and that they had appointed a Committee to prepare a humble, dutiful and loyal petition to his Majeſty, and alſo a letter to one of the principal Secretaries of State, upon the ſubject of the late acts of parliament for raiſing a revenue in America.——That the houſe highly approve of the conduct of the houſe of Repreſentatives of this province, and think the meaſures they have taken, worthy of the Repreſentatives of a free people, and perfectly conſiſtent with that loyalty to his Majeſty, and that regard for the Britiſh conſtitution, which has always diſtinguiſhed the province of the Maſſachuſetts-Bay.

One day laſt Week a Report was current that the Commiſſioners of the Cuſtoms were in Town, but upon Enquiry, it proved a Miſtake, and the Apprehenſions of the Inhabitants ſubſided.

Wedneſday the third inſtant, two proclamations were publiſhed by his Excellency the Governor, one for the ſuppreſſing, &c. of all riots, tumults, and unlawful aſſemblies;——the other offering a reward of twenty pounds for the apprehending one or more of 30 people who broke Falmouth goal, and reſcued two priſoners.

On the 23d ult. a ſtriped Snake was killed at Hopkington, it being of a prodigious ſize, was opened out of curioſity, and found to be pregnant with 70 young ones, about 4 inches long.

NEW-YORK, AUGUST 15.

Sunday the 7th inſtant, Captain Brown arrived here from Monto-Chriſto, but laſt from Turks-Iſland; he confirms the account inſerted in our laſt, under the Boſton head, of all the Engliſh veſſels being ordered from the Mount, of which number he was one. He ſays, 'tis owing to ſome repreſentations of the French Ambaſſador at the Court of Madrid; and that the French General arrived at the Mount the day he was ordered to depart from thence, in order to conſult upon ſome meaſures for the benefit of trade; and that it was thought the Engliſh would be admitted to trade at the Mount again, but under much ſeverer reſtrictions than what was formerly.

Captain Dobbs, in 36 days from Curacoa, acquaints us, That he left ſeveral Spaniſh veſſels at that Iſland, when he came away, and that it was currently reported there, by the Spaniards, that a war was ſoon expected to commence between their nation and that of Great-Britain.

Saturday evening arrived here the Schooner Hawke, from South-Carolina, with part of the Regiment of Royal Americans on board.

BOSTON, AUGUST 15.

To the Honourable THOMAS CUSHING, *Eſq; Speaker of the Honourable Houſe of Repreſentatives of the Province of* Maſſachuſetts-Bay.

Charles-Town, South-Carolina, July 10, 1768.

SIR,

YOUR Letter, directed to the Speaker of the Honourable Houſe of Repreſentatives of the Province of *South-Carolina*, dated the 11th of *February* laſt, is juſt now come to my Hands.

The Commons Houſe of Aſſembly of this Province, ever attentive to the Rights and Privileges of themſelves, and their Conſtituents in particular, and the Liberties of *America* in general, before their laſt Adjournment, "*Ordered*, the "Committee of Correſpondence, to write to the Agent in "*Great-Britain*, and inſtruct him to join with the Agents "of the other Provinces in *America*, in obtaining a Repeal "of the ſeveral Acts of Parliament, which have lately been "paſſed, laying Duties in *America*, and to endeavour to "prevent the Clauſe for billeting Soldiers in *America*, from "being inſerted in the next Mutiny Act which ſhall be "paſſed: And that they do further inſtruct the Agent, to "join the Agents of the other Provinces, in all Matters where "the general Intereſt of *North-America* is concerned."—— In Conſequence of this Order, I have the Pleaſure to acquaint you, that the Committee of Correſpondence have, by Letter of the 15th of *April* laſt, given ample Inſtructions to Mr. *Garth*, the Agent, on theſe important Points.

The Houſe adjourned on the 12th of *April* laſt, and have been ſince prorogued; and as the Time of their Exiſtence by Law, will expire on the 18th of *September* next, I think that they will not meet again; but that they will be ſpeedily diſſolved, and Writs be immediately iſſued for the Election of a new Aſſembly; for which Reaſon, I am afraid, I ſhall not have an Opportunity of laying your Letter before the preſent Houſe; but this, I hope, will not be attended with any Inconvenience, as the Steps are already taken, which you have ſo fully and warmly recommended.

Perſuaded, that notwithſtanding the invidious Light, in which his Majeſty's faithful Colonies have been miſrepreſented to their Mother Country, the Time will ſoon come, when they will have a fair and candid Hearing, the Conſequence of which muſt be a Relief from all their Grievances.

I am, with great Reſpect, Sir,
Your obliged and obedient Servant,
P. MANIGAULT,
Speaker of the Commons Houſe of Aſſembly of the Province of South-Carolina.

A Letter from Rhode-Iſland, to a Gentleman at Cambridge, dated Auguſt 10, 1768, *ſays,*

"It is whiſpered, that certain Depoſitions are taking here, to be tranſmitted to the American Agents at London, by which, his M——y and his Miniſters will know the particular Merits of a late promoted Revenue Officer."——By a Pamphlet lately come over here, it ſeems they have ſome general Knowledge of it.

We hear that the C——miſſi——rs have given ſtrict Orders to ſuch Officers of the Cuſtoms in the Colonies as have the Power of Deputation, not to depute any who are married, or have any near Connections in America; which is a freſh Demonſtration, not only of their kind Intentions to the Colonies, but of the Soundneſs of their Policy.

The C——l could not prevail upon G——r B——d the two laſt Weeks, to diſcharge them from their Oath of Secrecy, leſt he ſhould, in Conſequence thereof, be rendered ſtill more odious, if poſſible, to the People he has ſo baſely uſed.

A Gentleman of public Character in a Southern Government, writes his Friend here, that the Conduct of our late Aſſembly is as highly applauded, as that of our G——'s is deteſted.

The Merchants and Traders in this Town, having had ſeveral Meetings to conſult Meaſures for the better Regulation of the Trade, which at preſent labours under great Difficulties and Diſcouragements; and being convinced that a further Importation of unneceſſary Goods from Great-Britain, would involve the Importers in ſtill greater Difficulties, and render them unable to pay the Debts due to the Merchants in Great-Britain; they unanimouſly Voted not to ſend any further Orders for Goods to be ſhipped this Fall, and that from the 1ſt of January 1769, to the 1ſt of January 1770, they will not ſend for or import, either on their own Account or Commiſſions, or purchaſe of any Factor or others, who may import any Kind of Goods or Merchandize from Great-Britain, except Coal, Salt, and ſome other Articles neceſſary to carry on the Fiſhery; they likewiſe agreed not to import any Tea, Glaſs, Paper or Painter's Colours, until the Acts impoſing Duties on thoſe Articles are repealed.

Laſt Wedneſday afternoon, between 4 and 5 o'Clock, Mr. Paul Spear, of this Town, coming by the Romney Man of War, in his Lighter, with which he conſtantly plies between this Place and Nantaſket for Ballaſt, was fired upon with a Muſket from the Ship, which was repeated to four times, and one Cannon, the Officer calling to him to lower his Peak. Mr. Spear anſwering he had no Peak-halliards, the Lieutenant and 6 others got into their Boat, and rowed after him with all Speed, firing three Muſket Shot, ſome of which came very near him, but he ſtill keeping ahead of the Boat, ran his Lighter aground within a few Yards of Mr. Rowe's Wharf, and left her: The Man of War's Men directly ſeized on her, and were endeavouring to haul her off, when the People gathering on the Wharf, ſaw one of the Lighter-Men's Face bleeding, occaſioned by a Stroke he had got by an Oar, and concluding he had been wounded by the firing, grew much enraged, and threw Stones at the Man of War's Men with much Violence, on which they in a few Minutes left the Lighter, and went off in great Fury.

SAVANNAH, (in Georgia) Auguſt 10.

From St. Auguſtine we have advice of the ſafe arrival of all the veſſels belonging to Dr. Turnbull's fleet, and the coloniſts having ſet out for the Muſkitoes. Philoky, (father of two of the fellows who committed the murders on St. Mary's) the White Cabin, and another Creek headman, were lately at St. Auguſtine, and promiſed to put one of the murderers to death whithin a twelvemonth, as Governor Grant would not accept of the death of the brother of Philoky, (ſaid to have been killed by one of his nephews for inciting them to perpetrate the Murders) as ſufficient ſatisfaction for the deaths of the white people. We alſo learn, that they were very much diſſatisfied at the arrival of Dr. Turnbull's people, taking them for Spaniards, and that about 60 of theſe Indians were on their way to St. Auguſtine, to know upon what footing they were brought into that province.
